FRIDAY

## AGED WOMAN FELL 15 FEET

Mrs. Seal's Fall Developed  
Wealth She Had  
Hoarded

Mrs. Fred Seal who is employed as dish washer at the Mecca hotel fell from the rear balcony of the hotel Friday morning about seven o'clock. She had gone from the kitchen to empty a pan of water and slipped on some snow which had drifted in. The distance to the ground was about fifteen feet and when the woman's advanced age, near 70 years, is taken into consideration it seems almost miraculous that she escaped fatal injuries.

Immediately after falling Mrs. Seal was taken to her room and upon her return to consciousness she began to attempt over some money which she had tied about her waist; she claimed to have between \$200 and \$300 and as Mrs. Seal could not find nothing in her clothing the police were hastily summoned. The fear being entertained that the old woman had been pushed from the balcony by some one who knew that she had the money and then made away with it in the commotion which followed the accident.

Officer Wagoner responded to the call but could find no trace of any money and when a more careful search was made the money was found in a sugar sack which was wrapped in an old wagon robe in Mrs. Seal's room.

There was between \$200 and \$300 as she said, much of it in pennies and times and some fairly rusted with age. It is evidently the result of many years hoarding.

While no bones were broken in the fall it will take further examination to ascertain whether or not there are internal injuries.

**An Odd Ad**

There is an unusually ad running in the Want column. John Drush, the well known expressman, has an ad in which he wishes everybody a merry Christmas and at the same time asks them to save their rags etc. for him. With all the new Christmas presents they want need their old clothes and can dispose of the rags for money.

**Girl Fell Dead.**

Newark, O. Dec. 21—Minnie Gunder, aged twenty-eight years, died on the street at Kirtlandville today. It is supposed she took some drug.

## LOCAL LETTER POSTAGE 1 CENT

Madden Urges Low Price  
on Old "Drop" Letters

[By Telegraph to The Age]  
Washington, Dec. 21—Edwin C. Madden, third assistant postmaster general, says in his report regarding the question of second-class mail matter that it was proposed to meet the situation by the establishment of a rate of 4 cents a pound on second-class matter and remove all present restrictions. He urges that what is needed is an up-to-date, workable law—a law that can be enforced a law that the terms and limitations of which will be plain to publishers, to postmasters and to the departments. Those recommendations were made by Mr. Madden: That the rate of postage on letters not exceeding one ounce deposited in any postoffice for local delivery by its carriers or otherwise shall be uniform at 1 cent each; but if the letter be forwarded to another postoffice the rate be 2 cents; that the seven different rates of postage for the second class and the one rate for the third class be abandoned.

Senator Gallinger opened fight in the senate for increase of salaries of members of congress, which movement was defeated recently in the house. He introduced an amendment to the legislative, executive and judicial appropriation bill providing for an increase to \$7,500 annually of the salaries of senators, representatives and delegates in congress.

Secretary Hitchcock, who was called before the senate committee on Indian affairs, declared that his order withdrawing 4,000,000 acres of land belonging to the five civilized tribes will stand. The land will not be restored unless the investigation as to the legality of his act, now in progress, develops that he exceeded his authority.

The president announced acceptance by John Mitchell, head of United Mine Workers of America, as a representative of labor, and Marvin Hughitt, president of the Chicago & Northwestern Railway company, as a representative of capital, of the positions tendered them by the president as members of the board of trustees to whom he will convey the amount of Nobel peace prize.

## MEREDITH BUYS LOCAL SCHOOL

Coshocton Business College to be Branch of  
Zanesville

The deal whereby Prof. R. L. Meredith purchases the Coshocton Business College, which was prophesied in The Age last week, came to fruition Thursday evening, when it was closed in the offices of the college in this city. L. M. Holmes who recently purchased the plant from A. M. Petrie, who bought it from Prof. Yocum, the founder. The school has been a success from its start three years ago.

Speaking of the deal the Zanesville Times-Recorder says:

The plans of the Meredith Co are to conduct the Coshocton school as a branch of the Zanesville Business College. Copies will be prepared that can be finished in the Coshocton school but most of the students will come to Zanesville school to finish their courses where they can take the higher training in the completion of the different courses. The diploma from the Zanesville school will also carry more prestige with it than a similar paper from the Coshocton school.

The managers of the Coshocton school will be Herbert L. Leister and wife, who will be transferred from the local school. Prof. Leister has been connected with the Meredith college for the past two years as principal of the bookkeeping and business department. He is a graduate of the Maryland state normal school, the Meredith college and is a member of the International Accountant's society.

Prof. Leister's place at the head of the bookkeeping and business department in the Zanesville school, will be taken by Sylvan O. Watson, a recent graduate of the Meredith college. Mr. Watson is a young man whose home is in Guernsey county.

**Many Using Water.**

To take care of the great increase of water used over the city the B. P. S. at their meeting Thursday night decided to buy an extra boiler to install at the water works pumping station, making a total of three boilers. Bids will be received Jan. 31.

**Sick List.**

William Renner is confined to his home today by illness.

Miss Nellie Hoogler is on the sick list.

## CLAIM WORKERS BROKE CONTRACT

New York Railway Yardmen Strike or Get  
Raise

[By Telegraph to The Age]  
New York, Dec. 21—The strike ultimatum of the New York yardmen is declared by the general managers of the lines affected to be "most astonishing and unjust." A statement to this effect was given out following a meeting of the general managers' association in the offices of Vice President and General Manager Besler of the Central Railroad of New Jersey, chairman of the association. It also was stated that the managers have as yet come to no conclusion as to what action will be taken, but have requested Grand Master Morrissey of the Brotherhood of Railway Trainmen to come to New York immediately. The situation is regarded as acute in view of the holiday rush on the railroads. The managers declare the men have violated contracts.

The yardmen's ultimatum was delivered to the railroad managers by James Murdoch, fourth vice president of the Brotherhood of Railway Trainmen. The lines affected are the Central of New Jersey, Erie, Delaware & Lackawanna, Lehigh Valley, Long Island, Baltimore & Ohio and Staten Island.

The ultimatum states the men will leave the services of the several companies Dec. 22 unless their request of an increase of 5 cents an hour is granted.

This note to the general managers declared that failure to concede the 5 cents an hour increase would be regarded as a refusal to "deal as fairly with your men" as the New York Central, and all members of the brotherhood of trainmen employed in the yards of the company would leave the service Dec. 22. Grand Master Morrissey is a member of the executive committee of the Civic Federation, which has been the intermediary in settling a number of strikes.

**Will Discuss Dam Contract.**

W. A. Humebaugh will go to Columbus Saturday morning to confer with the state board of public works with reference to the contract for the Six Mile dam. It is not probable that any action will be taken.

## JOURNAL ENTRY CAUSES TROUBLE

Shall It Say Ben Gets New  
Trial? --Disagreement

Action in the Dickerson case is hanging fire owing to the fact that the attorneys on the two sides cannot get together on a journal entry.

It is said that the attorneys for the defense want stated in the journal entry that "a new trial is granted Ben Dickerson" while the state attorneys contend that it shall only say "the cause shall be remanded."

The circuit judges will determine which entry shall go on the journal and in the meantime there is nothing to do but wait. As stated Wednesday in The Age, the state attorneys intend taking the matter up to the supreme court, and the first step in that direction will probably be their next move.

The circuit court reversed the case on three points. It is therefore inferred that everything else in the first trial was all right. Will the attorneys for Dickerson allow the case to go up to the supreme court on these three points? They are the Trego testimony, the Thomas testimony and the fifth and tenth requests made to the judge before he charged the jury.

**Juvenile Court.**

Judge Donley is on the lookout for names for children who are not surrounded by proper influences at home. Anybody desiring to take care of such a child will please inquire of him. Seven young boys faced him Friday afternoon. Six of them were released on good behavior but must report to him every Saturday morning at nine o'clock. The seventh will be sent to Lancaster or to the Dover home unless a place can be found for him here.

**Glee Club May Come.**

The Kenyon College Glee and Man Glee Club may give an entertainment here January 4 for the benefit of Trinity Episcopal church. Provided arrangements can be made with the church. Manager Clarence Philip has written here concerning the matter. Arrangements are under way to hold the entertainment in the auditorium of Grace M. E. church.

**Air Ship Meeting Tonight.**

Riley Speck arrived home last night from Chicago but he did not purchase the balloon for the new air-ship. A meeting of the men interested will be held at the Eureka laundry tonight.

## ANNIE WATSON SOLD FOR \$200

Pocock's Stock Sold At  
Good Prices Yesterday

Annie Watson, known to all race horse men in this part of the state was sold Thursday at Pocock's sale for \$200 to James ones, of Millersburg. The Elvira mare, "Tinkie," was bought by Fred Andrews, of Sugar Creek, for \$150. Mr. Adams, who had charge of the sale for Mr. Pocock, reports that the harness, saddles and horses all sold very satisfactorily and brought very good prices. Twenty-seven horses were sold.

Sam Courtwright got a bay horse for \$174. Clifford Miller bought a bay horse for \$135. Will Markle bought a mare for \$150. J. W. Moore bought two Clayone Chief colts, a yearling for \$100 and a weanling for \$78. John Aronhalt bought three horses averaging about \$75. L. E. Parrish got a sorrel horse for \$100. J. M. Adams got a bay mare for \$120. John Hall led away a team for \$135. M. Bucklew, of New Castle, paid \$65 for a horse; James Waddell bought a sorrel mare for \$70, and M. Vanderbaak, of Dresden, bought a sorrel horse for \$80.

The McGill livery purchased the bulk of the equipment.

**CLOSED ANOTHER  
NICE HEAT CONTRACT**

The Coshocton Light and Heating Co. has closed a contract with Dr. S. A. Stacey to heat his handsome new building on Walnut street with central heat. The new building is to be a handsome and substantial one and will cost about \$15,000. It is going up rapidly.

**Not in It.**

Gern Fisher wishes to correct a statement that he was with Bour when he had the trouble with Sprague at the Theatrum. He says that while he was with Bour, Bour acted gentlemanly in every respect, and said nothing to Sprague. Gern says that he left Bour about 9:30 o'clock, and does not know what took place after that, only what he has been told since.

**On the Wheeling.**

The Christmas rate on the Wheeling and Lake Erie road out of Ohio, will be one and one third fares for the round trip, same as the rate of March, 1906.

## \$27,500 TO RUN CITY 6 MONTHS

Council Appropriates Budget  
get--Arc Lights  
Wanted

To run the city of Coshocton for the next six months, \$27,500.30 was appropriated by the city council Thursday evening. This amount is divided among the different departments as follows: General fund, \$8632; board of public safety, \$4,998; board of health, \$1100; board of public service, \$13,739; library board, \$1037.50.

The appropriating ordinance was passed practically as drawn up by the finance committee, the city auditor and mayor, except the provision for an additional night policeman to stay at the city hall all night four additional electric lights. It was decided that one of the five policemen already employed can be stationed at the city hall and the four new arc lights were not deemed absolutely necessary just now and the matter was referred to the light committee.

Council was not called to order by President Stacey until 7:55. All the members were present except Messrs. Pharon, St. Clair and Lawrence and the latter two arrived a few minutes later. Clerk Karr read a petition signed by all the employees of the D. Beach factory asking for an arc light at the intersection of Walnut street and the W. & L. E. R. and a petition signed by residents of that neighborhood asking for lights at the corner of Walnut and Fourteenth and two other corners in the board of trade third addition. The petitions, together with a letter from H. D. Beach calling attention to the danger there about quitting time when so many cars are being shifted, were referred to the street and light committee.

Then came the appropriating ordinance. By a suspension of the rules it was passed to its second and third reading and passed.

Mr. Robertson brought up the matter of a pine street crossing over the tracks of the Pennsylvania railroad. He made a motion that the city auditor be instructed to take further steps to have the railroad company place a crossing there. The matter has been discussed frequently before and it is time that either an overhead crossing or a grade crossing be placed there, preferably an overhead crossing. There being no further business council adjourned having been in session about an hour. This was the last session which will be held in the year 1906.

## Is Christian Science a Delusion?

Dr. Frew Reads Interesting  
Paper---Physicians  
Elect

President, Dr. H. R. McCurdy, Coshocton  
Vice president, Dr. Yarnell, West  
Secretary and treasurer, Dr. Beall, Coshocton  
Delegate to state convention, Dr. W. E. Lower, Coshocton  
Member of legislative committee, Dr. G. G. Garry, Coshocton  
The above list of officers was elected at the meeting of the Coshocton County Medical association which was held Thursday afternoon in the Carnegie library. The attendance was excellent and much interest was shown in the papers given the first one being "Tuberculosis of the Kidneys" by W. E. Lower of Cleveland, one on "Lead Poisoning" by Dr. R. C. Edmonds of West Carlisle and one on "Christian Science" by Dr. Frew. The program an elaborate banquet was served at the Park hotel. The visitors present in addition to Lower being Dr. Kistler, Dr. Yarnell, Dr. Hosick and Dr. Siffert of Coshocton; Dr. McCallum and Patterson of Uhrichsville and Dr. Edward Cass of Dresden.

Dr. Stacey, the retiring president of the Coshocton society, has filled his office with credit to himself and his colleagues and the excellent work he has done in the preparation of the papers and looking after the welfare of the society has won the hearty approval of all the members.

The aim is permitted to herewith publish Dr. Frew's paper in full:

**Medical Appliance of "Christian Science."**

For my subject one of the most interesting rather than the most important of the medical science is the appliance of "Christian Science."

It has been opposed to the medical science for many years and there are those who have been so prejudiced against it that they have refused to even consider it. It is a religion, a philosophy, a system of thought, a way of life, a method of cure, a system of medicine, a system of surgery, a system of anatomy, a system of physiology, a system of pathology, a system of therapeutics, a system of hygiene, a system of dietetics, a system of gymnastics, a system of music, a system of art, a system of science, a system of religion, a system of philosophy, a ## Is Christian Science Delusion?

Continued from Page One.

...or was it the delusion of an excited imagination?

At the siege of Oran, a beautiful city which the Moors built in Northern Africa after they had been driven out of Spain, the great cardinal Ximenes the leader of the Spaniards, prayed that the day might be lengthened so that his soldiers might complete before darkness set in, the destruction which they had begun late in the afternoon. The sun is said to have stood still for four hours while the Christians rioted in murder and rapine. There is no miracle in all history better vouchsafed than this. It was recorded by four eye witnesses, men of learning and character. The whole Spanish army bore witness to it. What was more wonderful still was that it was not noticed in Europe where it should have been as apparent as in Africa. This is the second time in history when the sun has stood still in answer to command or prayer and for the same purpose—slaughter.

The crusades were the result of a stupendous delusion which took possession of almost the whole population of Europe and held it for more than 170 years and resulting in the loss of millions of lives, and unparalleled suffering.

Peter the hermit had a mission from heaven to arouse the Christians of Europe to rescue the holy sepulchre

from the hands of the infidel Turk. Hundreds of thousands of enthusiasts volunteered to brave the dangers and after the privations necessary to accomplish this holy task assured that if they died in the attempt they would immediately be admitted to share the joys of heaven. In front of the first camp were led a goat and a roose, in which the holy ghost was said to reside. Jerusalem was captured once and its inhabitants indiscriminately slaughtered. It was soon retaken and its Christian garrison allowed to go in peace. The efforts of all the succeeding crusades which were disgraced by all forms of immorality, folly and crime, were futile. Jerusalem still remains in the hands of the Turks. Have we a new Peter in Mrs. Eddy? About 40 years ago the Virgin Mary is said to have appeared at the fountain of Lourdes in France. After that the waters of the fountain were found to have miraculous powers in curing diseases. I have read that immense stacks of crutches stored there attest the cures of many cripples who came there, on them and left them when they went away because they were no longer needed. It would be pertinent for you to ask why the whole world of invalids and cripples didn't go there to be cured? And why that shrine does not continue to attract the great number of pilgrims that it formerly did.

These are some of the most striking instances out of thousands which might be related showing the utter unreliability of human evidence relating to supernatural occurrences and also of delusions which have affected whole communities, whole armies, whole nations, and the whole world.

ies, whole nations, and the whole world.

We all have delusions. They form a part of everyone's daily life. Some people are more liable to delusions than others, children than adults, women than men. There are different kinds and degrees of delusions, some are harmless and rather pleasant, especially when they are not obtrusive while some are disagreeable and some are dangerous. Search yourselves for delusions and you will be surprised at the number you find. If you will eradicate them you will be practicing Christian Science. For its office is to dispel delusions. The great fault with that cult is in its diagnosis. There is no real disease in its nosology. Pathology and pathological anatomy are mere fakes and drugs and instruments an abomination. Isn't it highly philosophical to believe that a child, a mere babe it may be, can produce a sore throat, a high fever, and a well marked eruption, simply because it imagines that it is infected with the scarlet fever, possess a disease which has never been seen, and of whose symptoms it knows nothing?

Isn't it highly rational to believe that a man can imagine that he has been infected with typhoid fever and straightway develops ulceration of the intestinal glands, a high fever and all of the symptoms which we recognize as typhoid? If the claims of the Christian Scientists are true, then the discoveries of our bacteriologists must be a series of blunders and the use of antiseptics and disinfectants and the destruction of the mosquitos which disseminate malaria and yellow fever are folios. I have heard of a Christian Scientist who called to see a sick friend. On being told that his friend was too sick to see him, he replied 'he is not sick, he merely thinks he is sick.' The next day when he called again, in answer to his inquiry as to his friend's condition he received the reply, 'He thinks he is dead.' One delusion which is almost universal is that we are right in our opinions and that all who disagree with us are wrong. This is a dogmatism. Medical dogmatism is dying out. I can remember when our medical societies were more inquisitions almost the whole business was the trial and the drawing and quartering figuratively speaking of those who had violated the code of ethics. It was rank heresy to consult with a homoeopath or an eclectic. A homoeopath is now president of this society and several eclectics are active members. We dwell in peace and enjoy one another's company. We have relegated heresy trials to the church which is making good use of them in keeping its priesthood within the bounds of orthodoxy. We never hear of a layman being tried. He can think as he pleases, which shows that the church too is becoming liberal. Science is the only cure for delusions. When the people understand as they will some day, long after you and I are gone, that mankind as well as the physical universe, is governed by nature's inexorable laws, delusions will disappear like frosts before the morning sun.

To sum up I have endeavored to show that Christian Science is one and the same as the magic of the ancients. I have attempted to show you by citing a number of well authenticated instances from history that human history is utterly valueless when applied to supernatural phenomena, and I have tried to convince you

### Candy Making Is Worth Seeing

We want you to try our goods also to see where our loaves of Cream, Candy, Bread and Cakes are made. You can see where we make our goods, if you only come in and ask to go through our factory. Where you are not allowed in where some people claim to make these goods is a sure sign that they don't make their own goods or their shop is not fit to be seen.

You can see us making Candy day or night.

that so far as its power to cure real disease is concerned it is a delusion. Have I succeeded? While I have been writing this paper I have heard that the Scientists are going to ask the legislature of Ohio to admit their healers to practice for profit and that we might be asked to use our influence to prevent it. I would feel humiliated to see our learned and dignified profession array itself against a phantom. There would be no better way to kill the delusion than by granting them the privilege asked. The sign of a power derived from duty by prayer or magic being made an object of commerce and barter would immediately disgust all right thinking people. Then as it requires no study or preparation to attain it only a little enthusiasm and egotism, which are cheap, we would have a perfect shower of healers. Suppose the clerics would ask that the law making power to protect them and their flocks from the inroads of the growing heresy, a loud protest would come from you and me. I have too much confidence in the good common sense of our people to think that they will relax into the beliefs and methods of barbarism if they are not protected by legal measures.

I read a few days ago that about 50 per cent of our young men who are taking the higher examinations are now in technical schools. Add to this the large number who are pursuing scientific studies in our colleges and universities and you will have a mighty bulwark against superstition and dogmatism. Teach our girls more of the sciences and teach them to think and to think accurately. Teach them to reason instead of to dream, and our women will not be dazzled by the glitter of new tinsel nor duped by the allurements of old chimeras.

### A DOUBT

Of Attorney Patrick's Sanity Entered by Governor Higgins.

Albany N. Y., Dec. 21. — Albert T. Patrick was saved by Governor Higgins from the death chair, in the shadow of which he has stood for nearly five years. He was convicted March, 1902, of the murder of William Marsh Rice, an aged New York city millionaire. In a brief memorandum, laying stress upon the dissenting opinions of the judges of the court of appeals, which affirmed Patrick's conviction by a vote of 4 to 3, the governor announced he had commuted the death sentence. The governor strongly intimated a doubt of Patrick's entire sanity, attributing his mental state to the strain under which the condemned lawyer has labored all these years in the death cell at Sing Sing.

## OHIO SHIPPERS SCORE A POINT

State Railroad Commission Makes an Important Ruling.

### POWER TO PROBE ALL RATES

[By Telegraph to The Age]

Columbus, O., Dec. 21.—Ohio shippers scored what they consider an important victory when the state railroad commission ruled that it had power to investigate freight rates, as to their reasonableness, even though they might be lower than rates established by the legislature in an old law. The decision of the commission, given in the complaint of the Campbell's Creek Coal company against the Baltimore & Ohio Southwestern railroad, opens the door for hearing all complaints on switching charges. It has become evident from the statements made by attorneys at the present hearing that practically every important ruling made by the commission will be carried to the courts for final review.

When Attorney Barton for the railway interests offered a motion looking to the striking out of a clause in the complaint on the ground that the state had no jurisdiction over matters of interstate commerce, Commissioner Hughes replied that he was willing to test this point in the courts.

## THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, many fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Swamp-Root the great kidney and bladder remedy is soon realized. It stands the highest because its remarkable curative power has been proven in thousands of the most distressing cases. If you need a medicine, you should have the best.

Wilson, Conn., Feb. 18, 1906.

Dear Sirs:

"A man could not be in any worse condition than I was with kidney and bladder troubles. I doctored with several good doctors and one physician told me I had Bright's Disease, and that I would not live over six months. Another told me it was gall stones. I had severe pains in my kidneys all the while, could not stoop over, would be dizzy, could not lie down without someone helped me up; my back was weak and pained me; urine was as thick as cream and it would scald me something dreadful. I had to get up many times in the night to urinate. I took Swamp-Root and today I am a well man and never felt better. All of my troubles have gone and show no signs of returning, I take my oath that Swamp-Root put me where I am today and I can prove it by acquaintances."

Very truly yours,  
E. H. Rand.

Editorial Note—In order to prove the wonderful merits of Swamp-Root you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonial letters received from men and women who found Swamp-Root to be just the remedy they needed. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say you read this generous offer in the Coshocton Daily Age. The genuineness of this offer is guaranteed.

Swamp-Root is not recommended for everything but it promptly overcomes kidney liver and bladder troubles, the symptoms of which are obliged to pass your water frequently night and day, smarting or irritation in passing, brickdust or sediment in the urine, headache, backache, lame back, dizziness, poor digestion, sleeplessness, nervousness, heart disturbance due to bad kidney trouble, skin eruptions from bad blood, neuralgia, rheumatism, diabetes, bloating, irritability, wornout feeling, lack of ambition, may be loss of flesh, sallow complexion, or Bright's disease.

If your water, when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment or settling or has a cloudy appearance, it is also evidence that your kidneys and bladder need immediate attention.

Swamp-Root is pleasant to take and is for sale at drug stores the world over in bottles of two sizes and two prices—fifty cents and one dollar. Remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**TIME FOR CLEAN WALKS.**  
There has arrived for the family to get to work on the side. Nothing is more conducive to health than to walk. It is not a Sunday school than for a man or woman to be compelled to tramp through snow and slush ankle deep in soiled clothing and temper. No matter how neat and clean a house may be inside, it is not a sign of good housekeeping to have unclean walks. That is one duty that is owed the public, and all too seldom performed.

**Boys Drown.**  
Pittsburg, Pa., Dec. 21.—Harry Ackley and Silas Morrison, two 11-year-old boys, were drowned at Layton, near here, while coasting. The boys lost control of their sled while coming down a steep grade and plunged into a reservoir of a brick company. The bodies were recovered.

After a heavy meal, take a couple of Dean's Regulents, and give your stomach, liver and bowels the help they will need. Regulents bring easy, regular passages of the bowels.

Your bookseller will tell you that the little booklet "Coshocton" is winning its way into the hearts of the absent ones, as well as the resident of our city, get one before the issue is exhausted.

**Sues Toledo Terminal.**  
Toledo, O., Dec. 21.—The Commonwealth Trust company of St. Louis, which financed the Toledo Terminal and Railway company, which owns a belt line encircling the city, with passenger and freight depots, filed suit in the United States court here to foreclose its mortgage on the property for failure to pay interest on bonds amounting to \$157,000 due last July. By reason of this failure, the plaintiff states, the principal of the first mortgage 1 1/2 per cent gold bonds amounting to \$3,500,000 with interest are also due.

**Pipe Line Company's Request.**  
Columbus, O., Dec. 21.—The tax remission commission, consisting of Governor Harris, Attorney General Ellis and Auditor of State Cullen, was in session listening to testimony developed by Prosecution Attorney David of Hancock county and Attorney Wheeler, representing the Buckeye Pipe Line company. The pipe line corporation is asking that there be remitted \$100,000 in taxes which has been added to its valuation by the county and for and tax levied for the period from 1909 to 1905.

**Flaw in Sultana Act.**  
Columbus, O., Dec. 21.—The character of corruption in the Sultana monument commission are not sustained by the evidence adduced in the investigation made by Attorney General Ellis. Such is the substance of the report Mr. Ellis made to Governor Harris. He finds, however, that the act creating the commission does not specifically grant authority to place the monument in the state Capitol grounds, though that is the evident intention, and he recommends that no further action be taken by the commission until the legislature gives it that authority.

Act on the liver and bowels, cure biliousness, constipation, morning and sick headache, break up colds, relieve uncomfortable fullness after dinner. Painless cathartic. 25c. C. I. HOOD CO., Lowell, Mass.

**Dynamite Exploded.**  
Toledo, O., Dec. 21.—Charles Minehart was blown 50 feet through the air and instantly killed while blasting stumps on his farm north of this city. Minehart had put dynamite under a stump and lighted a fuse. He thought the latter had been extinguished and knelt down to examine it when the charge exploded. Part of his head was blown off.

**BEAUTY MORE THAN SKIN DEEP**  
Every one who wants a good healthy color, and a clear skin free from biliousness, sluggish liver and chronic constipation should get a package of Dainty Laxakola tonic tablets nature's sweet restorer. C. E. Anderson.

**Grave-Digger's Mistake.**  
Camden, N. J., Dec. 21.—What promised to be a sensational solution of the sending of a wrong body to Bryan, O., as that of John P. Long, has turned out to be merely a gravedigger's mistake. The right body was exhumed and positively identified by Dr. James Long, a cousin.

**Are You Food Wise?**  
Do You Select With Care What You Eat—The Maximum of Strength For the Minimum of Cost?  
THE FOLLOWING WILL BE OF INTEREST.

All scientists agree that the cereals are man's natural food, and that the nearer we live to nature the healthier and happier we are and the longer we may live.  
To keep pace with the food requirements of the age is the constant study of those whose business it is to supply the same.  
Cereal foods are the cheapest and best to eat and Hardyfood is the one that is selected by the food wise.  
Hardyfood is made from the choicest selected grains and is prepared by new and original methods with rigid care and cleanliness.  
Those portions of the grain which produce harmful results are discarded and only those elements needed for brain, nerve, bone and muscle-building are retained.  
Hardyfood is especially beneficial to those with impaired digestion and is the only prepared food from which the excess of starch and glucose has been eliminated.  
Hardyfood is so easily digested that it can be eaten by the aged, young people and the dyspeptic, and should be their principal meal every day.  
A box of Hardyfood contains as much nutrition as five pounds of beef.  
Instead of starving if ill, live exclusively on Hardyfood for thirty days, avoiding all medicines, and you will get back into a healthy condition.  
Too great a variety in food is the cause of much illness and discomfort. A simple diet is best.  
At all grocers—10 cents.

**FREE. HANLEY URGES ACTION FOR GOOD ROADS**  
County Has Ten Days to Apply For State Aid.  
Coshocton county will lose the state appropriation of \$1725 for good roads unless the county commissioners and county surveyor get busy within the next ten days as the time for making application for it expires the first of January. Last year Mr. Hanley, president of the Good Roads association, went before the commissioners just a few days before the end of the year and the necessary application was made and it is high time that something be done again. The good roads laws provide that state aid cannot be given to establish good roads where there is danger of a washout or anything of that kind. The road is not supposed to go over a hill where it is possible to go around it and the road must not pass too close to a street car line. The road must be a permanent one if the state lends its aid.

**Cardinal Martinelli Dying.**  
Rome, Dec. 21.—Cardinal Martinelli, who was formerly papal delegate to the United States, has been ill for some time past with facial polyp, which the surgeons diagnosed as malignant, and an operation was performed. After the operation, however, the fever of the patient increased and he suffered a hemorrhage, becoming so weak that death is feared. The last sacraments have been administered to the cardinal.

**Would Sue Sugar Trust.**  
Philadelphia, Dec. 21.—George H. Earle, Jr., receiver for the Pennsylvania Sugar Refining company, presented a petition in common pleas court here asking permission to bring suit for damages against the American Sugar Refining company for illegal exercise of its control of a majority of the stock of the Pennsylvania company in preventing the operation of the refinery of the company.

## Burns & Gosser

**HICKS' CAPUDINE**

IMMEDIATELY CURES Headaches and Indigestion

Two thirsty men each attempted to get a quart of whisky free of charge at the Siegrist-Murray wholesale liquor store, Thursday by shoplifting. A bystander noticed two men leave the store and start toward a nearby saloon, soon Mr. Murray came running out and asked where the men were. He was informed and went after them. He scared the liquor, and no arrests were made.

**Birthday Offering.**  
District two of the U. B. church had a great time at its birthday offering which was held Thursday evening at the home of Mrs. W. S. Tish on East Main street. The invitations sent out provoked much interest and about \$16 was brought in; the inclemency of the weather made it difficult for some who were invited to respond and it is thought the fund will be yet larger when all are heard from. The money will go into the funds of the society.

\*\*\*\*

**Teacher's Meeting.**  
The regular meeting which the Coshocton teachers held at the library Thursday evening in harmony with their monthly custom was something quite out of the ordinary. Dr. Platt who is just home from New York gave a graphic and entertaining description of the Horace Mann Ethical Culture school. The gifts which adorn the Christmas tree were distributed. There was one for all and several for some. Funny little trifles which had been picked up at almost no expense but selected with the view of "hitting off" some pet fancy or folio of the recipient. Joe Clark distributed them amidst gales of merriment. Big bowls of candy furnished ample refreshment.

Fragrant floral blooms, plant-milk vegetable essences compose Satin skin cream.

### PERSONALS

Dr. Wm. E. Lower, a Cleveland specialist, who delivered an address before the Coshocton County Medical society Thursday, is visiting his brother, Dr. J. D. Lower, on Walnut street.

F. E. Pomerene went to Columbus at noon on legal business.

Andrew Fisher and family left today to spend Christmas with his mother in the country.

C. J. Voorhees is home from Pittsburgh to spend Christmas.

Misses Emma and Grace Carr arrived home from the east at noon today.

Itching, torturing skin eruptions, disfigure, annoy, drive one wild. Doan's Ointment brings quick relief and lasting cures. Fifty cents at any drug store.

The show "A Stranger in Town" arrived on No. 6 this afternoon. They carry a great many trunks, and nearly all their own scenery.

### HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs, it always itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

C. E. Anderson Special Agent.

### Strength Comes

Not From What You Eat, But From What You Digest.

Most people eat most foods without discrimination—it matters little what. Few stop to think what that food does for them. This is the first turn on the road to dyspepsia. Reckless disregard of the proper choice of foods, rapid eating and improper mastication, are the unquestioned causes of all stomach disorders from the slight ache to the malignant cancer.

There is nothing more revolting than a dyspeptic stomach—a very vat for putrefaction, sending forth its poison throughout the entire system, depressing the brain, befouling the breath, souring the taste, deadening the muscles, incapacitating the liver and kidneys for their work, debilitating the heart, choking the lungs and clogging the bowels.

Al of these disagreeable and dangerous conditions are due to the improper digestion of food and the consequent assimilation of poison. What else can be expected? If the food lies in the stomach, if the system is constipated, fermentation is the natural outcome. It shows itself in sour watery risings, belchings, heartburn and painful breathing.

There is only one way to relieve this condition. If the stomach refuses to digest your food put something into it that will. Stuart's Dyspepsia Tablets are nothing but digestives. They are not a medicine. They work when the stomach will not.

Each tablet contains enough pepsin, diastase, golden seal and other digestive elements to reduce 3,000 grains of ordinary food to the proper consistency for assimilation into the blood.

Stuart's Dyspepsia Tablets are absolutely pure. There is nothing harmful in them as shown in their endorsement by 40,000 physicians in the United States and Canada.

Ask your family physician his opinion of Stuart's Dyspepsia Tablets and if he is honest toward you he will state, positively, that they will cure your stomach trouble whatever it may be, unless you have waited too long and have allowed your disorder to develop into a cancer.

Act today and begin to end your suffering. A free trial package will be sent to your address upon request. The 50 cent size packages are for sale at your druggist's. F. A. Stuart Co., 67 Stuart Bldg., Marshall, Mich.

### Police Court.

Chief Maple arrested a man for intoxication about noon today. He was locked up and will have his hearing Saturday.

If I were Santa Claus I would know exactly what to give every boy and girl. I would give them Hollister's Rocky Mountain Tea. It's the greatest medicine in the world; a never-fading wonder. 35 cents.

C. E. Anderson.

### Each Give a Cent.

All the members of the Sunday school of the Christian church at the corner of Seventh and Poplar streets are urged to be at Sunday school next Sunday morning at 9:30. An offering of a penny for each year in the age of each one present will be taken and sent to Porto Rico where the denomination expects to build a church.

### All Saloons Are In.

Coshocton's 28 saloons have paid their 1917 tax, amounting to \$14,203.32 Of this \$71.01 goes to the treasurer; \$36.10 for fees; \$68.70 is to be refunded; \$4208.25 to the state; \$3506.87 to the municipal police; \$3506.87 to the municipal general revenue; and \$2805.52 to the infirmity fund.

Mrs. Edward Compton arrived Thursday evening from Canton. Mr. and Mrs. Compton have taken cozy apartments at the home of Mr. and Mrs. John Shaw on North Fourth street.

### Sore Throat Don'ts

When the children have sore throat, don't blister their necks with lamp oil. Don't torture them with a foul smelling piece of fat meat, wrapped about the neck. Don't imagine there is medical virtue in an old sock or piece of red flannel. Don't believe in antiquated superstitions. A sore throat is a serious matter and is not to be healed by such make-believe remedies. The use of such methods is simply putting the patient to needless torture. Use a little sore throat wisdom and give them TONSILINE and the throat will heal quickly. 25 and 50 cents at all druggists. The Tonsiline Co. Canton, Ohio.

### CHRISTMAS RUSH IS BIG AT POSTOFFICE

Efficient Force is Crowded to Death  
By The Big Patronage.

The busy days of Christmas the busiest of the year are here and one may prove it by watching the force at the Coshocton postoffice where with extra clerk and carrier everybody is buried to the ears in the enormous mail this city is sending and receiving just now. Last night 32 extra tele sacks were put up and sent out after supper, beside the first class mail, letters, etc. That means that most of it was packages, etc. The local postoffice sends out 21 mails every day.

### CHARMING WOMEN.

Nothing lends more to personal charm than a clear rosy skin and nothing is sure to free the skin from spots, sallowness and the effects of chronic constipation as the Quinly Laxakola tonic tablets, 25 cents. C. E. Anderson.

The pictures in the booklet Coshocton, will recall familiar scenes, the room will strike a responsive chord, there is nothing which will be more appreciated for the small expenditure of fifty cents at the book stores. 17-4

### Home for Holidays.

Glenn Smith, who is taking a course in pharmacy at Seio, arrived here Thursday evening for the holiday vacation and will help take care of the rush at Smith's drug store until after Christmas.

Many ills come from impure blood. Can't have pure blood with faulty digestion, lazy liver and sluggish bowels. Burdock Blood Bitters, strength, ins stomach, bowels and liver, and purifies the blood.

Send that absent friend a copy of Coshocton, the little booklet will seem like a visit back home to him or her, and no Christmas gift will receive a more hearty welcome. At the book stores. 17-6

Charles Scott of Pittsburg who has been visiting relatives here has gone to Leesville to spend Christmas.

# CREDIT

Do you realize what it means to a working person?

Credit is not only an accommodation but a necessity in every day business life. It is a great deal easier for you to dress your family on our EASYPAYMENT PLAN than it is to pay down \$25 to \$50 for Clothing.

With the Holidays at hand, Christmas gifts for your dear ones will cause a good many people useless worry for they haven't all the ready cash saved up to buy presents with. No present on earth will give your children or friends more pleasure and satisfaction than a stylish holiday outfit, whether it be for a baby or a woman, boy or man.

We extend to you credit and save you the worry and care. Select your outfit—wear it, pay for it a little each pay—small sums that will be no sacrifice to you. Cash or Credit is the same with us. One price to all. Our store is new. Our complete stock is new. The garments are made in our own factories in New York City. Every garment bears the stamp

## Constipation

Dried sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. There undoubtedly has a vegetable remedy to relieve every ailment known to man, if physicians as but find Nature's way to health. And this is indubitably true with regard to Constipation.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Epsom salts, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome little tablet, called Lax-ets, is now made at the H. S. Thompson Laboratories, from this famous and powerful prescription. Its effect on Constipation, Biliousness, Stomach, Bad Breath, Headache, Constipation, etc., is indeed prompt and powerful.

For a complete list of ailments for which Lax-ets are put up in beautiful illustrated metal boxes at 5 cents and 25 cents.

## Legal Notice

In the Court of Common Pleas of Coshocton County, Ohio, Karl A. Hining, Plaintiff, vs. The Premium Manufacturing Company, Defendant. No. 4008.

Notice is hereby given that on this 27th day of November, 1906, John H. Hay, as receiver in the above action, filed in the Court of Common Pleas of Coshocton County, Ohio, his first report as such receiver and also a schedule of the claims against said The Premium Manufacturing Company, which has been filed with him as such Receiver; that said report and said list of claims have been referred by said Court to the undersigned as Referee to examine and pass upon the correctness of the report and the validity of the claims; that said report and said claims will be at my office No. 130 North Fourth street, in Coshocton, Ohio, where all persons interested therein may examine the same; that objections thereto, if any, must be filed with me in writing on or before the first day of January, 1907; and unless objections be filed with me prior to said date, said report and said claims will be returned to said court with my recommendation that the same be sustained and allowed.

## Do You Know Your Body?

Like a young man and girl, do you know your food or medicine may be doing you harm? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle wrapper, what his medicines are made of and verifies it under oath. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities to Doctor R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

## COSHOCTON WON A PART POLO GAME

### Uhrichville Bit The Dust By Score of 5 to 1.

Coshocton won the most exciting polo game Thursday evening from Uhrichville ever played on the local floor. The game was full of sensational plays from beginning to end, and the crowd was wild at times, so great was the enthusiasm. The game was clean until the last period, when an accident started a quarrel, and Deeds and Miller tried to fight a duel with clubs. Referee Thompson stopped the fuss at once, and no harm resulted.

Miller made one in the second. Then the Uhrichville boys became excited over a quick goal made by Deeds, and seemed to fall to pieces. The final score was 5 to 1 for Coshocton.

Smythe and Reed did excellent work and Smythe stopped the ball time after time before it could get near the cage.

The teams lined up as follows:

| Coshocton—5 | Uhrichville—1 |
|-------------|---------------|
| Deeds 1st r | Miller        |
| Poyd 2nd r  | Blunk         |
| Pope c      | Edwards       |
| Smythe h b  | Perry         |
| Reed g      | Disher        |

Krim played a few minutes in the last period for Edwards. Referee Rollo Thompson. Timers, J. B. Davis and F. L. Fuhr. Rushes, Deeds 4, Miller 5 Stops, Reed 10. Disher 24. The fast Utica team will play here Monday night.

## A Polo Stunt Tonight.

The polo game between the second and third teams at the rink this evening will be the most laughable stunt of the season. The second team will be dressed as "Havseeds" and the third team as "Africans." Rollo Thompson will referee. They will line up as follows:

Havseeds—Haight 1st r, Kik 2nd r, Wiggins c, Thomas, h b, Gross g.

Africans—Wright 1st r, Stenhour 2nd r, B. Wright c, Angelone h b, Joe Martler g. Admission will be 10 cents, and skates 10 cents.

Mrs. H. J. Harris went to Buffalo, today to spend the holidays with relatives.

## GUARANTEED REMEDY FOR INDIGESTION

Interesting Statement by C. E. Anderson

When a man comes into this store and calls for any particular indigestion remedy, we always give him what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years, and from actual observation we know it must do good, and really does relieve and cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefited or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or C. E. Anderson is ready at any time to pay back your money without the least argument.

Genuine  
Haviland  
Dinnerware

This city appreciates fine China. We have proven this to our full satisfaction. The immense amount of good China that we are selling each day has convinced us that we are right in affording Coshoc-ton people a place to buy good Dinnerware. We are showing three new patterns imported direct by us, that are attracting an unusual crowd of purchasers.

**BISHOP HARRIS OF JAPAN SUNDAY SURE**  
Dr. Robertson Got Word This Afternoon That He Would Be Here  
All Methodists of Coshoc-ton and vicinity please take notice that Bishop M. C. Harris of Japan and Korea will occupy the pulpit of Grace M. E. church next Sunday morning and evening. Service previously announced postponed. Our missionary, Miss Finlay, urged Bishop Harris to visit her home church and your pastor extended an invitation to him early in his visit to America. It is a rare experience with our limited number of bishops for any church to have a bishop for a whole Sunday. Let us give him the largest audience ever assembled in our church. All friends cordially invited. Chas. S. Robertson.
